For those wishing to transfer credits between Malaga University and their home university, we recommend contacting the study abroad advisor of the home university before leaving the country for information on how to do so. In the vast majority of cases, sending the home university a certificate of the final mark or diploma awarded is enough to carry out the credit transfer. Information about US and European credits is as follows:

### Intensive course

- **4 week course:** 80 hours- 8 ETC

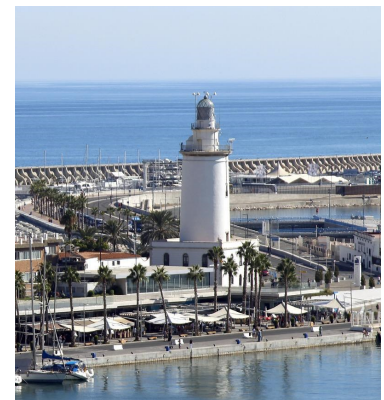

### Semester course

- **240 hours** - 24 ETC Summer monthly course
- **80 hours** -8 ETC

“I definitely learned a lot, the fact that I attended a class of only 4 other students did make a difference, although it would have been better to be located directly on the university campus as the link between Teatinos and the school for foreigners really does not exist.”

## ACCOMMODATION

Those that prefer to arrange accommodation through us have a choice of **two options**: staying in a shared student apartment or with a host family.

### SPANISH HOST FAMILY

This option offers complete immersion into the Spanish way of life. Host families will usually consist of older couples, and they will often accommodate more than one foreign student. The price for a room and half-board (breakfast and either lunch or dinner) with a Spanish host family ranges between €550-850 per month. A separate fee is charged for in-house laundry service.

### SHARE STUDENT APARTMENT

This is the cheapest and most popular option. The apartments are all within 10-30 minutes walking distance from the campus. They usually comprise 3-5 bedrooms (each containing a bed, wardrobe and desk), 2-3 bathrooms, a shared kitchen and a living room with TV and sofas. As this is a budget accommodation, the apartments are simple and no-frills. Students will be responsible for cooking, cleaning, laundry, etc. and will normally be grouped with other international students. The price for a room in a shared apartment ranges between 180-330€ per month, plus utility costs (between 20-30€ per month)
